## **B.) Action Items:**

### **I.) Appointment of Brian Hastings as Board Treasurer:**

- Dan Fuhrman moved appointment of Brian Hastings as Treasurer of the LCCA Board.
- A brief discussion followed, noting respect and appreciation for Brian's enormous work on and contributions to our financial, accounting, and payroll systems.
- Motion passed.

### **II.) Preliminary Budget for 2022-23 and Three-Year Budget Projection – Brian Hastings:**

- Assumptions were presented that the budget was built on, including a per student funding from DPI of \$9,200, categorical aid of 30% of last year's actual expenses, student fees of \$100 remaining flat, a Summer School program being in place no later than 2024, fund-raising amounts remaining flat to actual levels, etc. These assumptions are subject to change that would either positively or negatively affect our budget projections.
- Enrollment growth going from 400 to 662 in three years
- The projected budget deficits going out beyond the 2022-23 years were largely the result of large expansion of staffing at the high school levels, despite low student enrollment at those levels.
- The three-year projections clearly indicate that, without philanthropic giving to close the gap, the school will operate at a budget deficit.
- Discussion ensued including the commitment to continue fund-raising, but with the understanding that it could not be the sole solution to the deficits. Also, it was noted that donors to a capital campaign could not be expected to give to the support a new, one-campus location, if we cannot demonstrate that the school can operate at a break-even capacity.
- Principal Daigneau outlined concerns about the ability to implement a Summer School program due to licensure and staffing needs.
- Board members emphasized that a Summer School program was going to be needed and plans for such should be undertaken. Additionally, it was noted that staffing levels at the high school would need to be addressed to address the reality of our lower enrollment in those grades.
- Tom Gehl moved approval of the 2022-23 Preliminary Budget – Motion Passed.
- This budget will not be finalized until the October Board meeting, when actual enrollment has been verified, along with any changes to DPI reimbursement, student fees, etc.
- The slides used by Brian Hastings in his presentation are included in these minutes.

**III.) CESA Five Business Services:**

- In December of 2021, the Board approved the contracted use of financial services from the Co-operative Educational Services Agency.
- These services were vital to the establishment of our financial, accounting, and payroll systems.
- Their services for work provided since that time went over the amount approved by \$15,000, and Board Treasurer Brian Hastings recommended approval of these payments.
- Tim Peterson moved approval of this amount – motion passed.

**IV.) Mobile Classrooms – Approval of Expenditures:**

- Tim Peterson gave an update on the entire project.
- The State issued an Early Start Permit on July 13, and work has begun.
- Enormous efforts are focused on being ready by the recently delayed start to the school year.
- Tom Gehl moved approval of \$316,973 of additional funding for completion of the entire project, to include leasing and installation costs. This amount is already contained in the budget figures presented by Treasurer Hastings in his earlier report.
- Motion passed

**V.) Revised '22 – '23 Family and Student Handbook – Presented by Principal Daigneau:**

- This handbook will be revised each year to reflect any needed or appropriate changes.
- Margaret highlighted changes, including revisions to sections addressing attendance, missed classroom work, late homework, sibling status for enrollment, State assessments, and other matters.
- Once the revisions were approved by the Board, Margaret will finalize the document and make available to families.
- Tom Gehl moved approval of all revisions as submitted.
- Motion passed.

**VI.) Treasurer's Report:**

- Cash on hand at end of June was \$216,000 higher than forecasted.
- Due to a higher than expected reimbursement from DPI and proceeds from the 2022 Liberty Gala received in June.

## **Committee and President Reports:**

### **I.) Finance and Facilities Committee:**

- Tim Peterson presented an update on the installation of mobile classrooms at the East Campus, including installation of concrete pads, paving of fire lane, electrical connections, etc.

### **II.) Fund Raising and Communications:**

- Kristina Vourax presented preliminary results from the Gala. While not yet finalized, total revenue was \$304,000, with expenses expected to come in at \$38,000. This yields a net gain of raised funds to LCCA of \$266,000. Again, these are preliminary numbers, as expenses are still being finalized. A contract has been signed with the Ingleside Hotel for the 2023 Liberty Gala, which will be held on June 2 of next year.
- She also reported on various efforts of the TLC, which included report of the terrific LCCA turnout for Oconomowoc's Fourth of July Parade, more restaurant themed fund raisers for next year, a Fall Fest at the East Campus, a Water Park Night at the Ingleside, and more.

### **III.) President's Report:**

- Kristina spoke of the highlights of the 2022 Liberty Gala, and offered sincere and profound gratitude to those who helped make it a reality, as well as the generosity of sponsors, families, and supporters.

### **IV.) Adjournment:**

- Tim Peterson moved to Adjourn – Motion Passed.
- Meeting adjourned at 8:08 PM.

## FY22-23 Revised Budget / 3YR Projection

### Mobile Classroom Update

Brian Hastings

07/20/2022

# Agenda

- ▶ Key assumptions for Revised 22-23 Budget
- ▶ Overview of enrollment
- ▶ Explanation of expenses
- ▶ Revenue / Operating Budget
- ▶ Operating Budget WUFAR to GAP Reconcile
- ▶ Modular System

# Key Assumptions / Challenges

- ▶ Per pupil aid remains at \$9,201/student. No inflationary adjustments. This would be accretive.
- ▶ SPED categorical aid ~30% of prior year expenses.
- ▶ Medical insurance escalation of 15% YOY.
- ▶ User fee shown at \$100/student. This will need to be re-evaluated.
- ▶ Summer school plan needs to be developed.
- ▶ Private donations / fundraising supporting operations is flat. We need to develop a long term plan where operations can sustain itself without philanthropic giving. This needs to be reallocated to building sufficient balance sheet liquidity with a target of 60 days cash on hand.

- Green enrollment at existing East, blue modular systems, yellow West.
- Administration team optimized class sizes to based on expected class room size.
- Phase 1 of the modular systems provides 6 additional classrooms in 22-23. Phase beginning in 23-24 is an additional 4.
- Will built out St. Matthews basement in 23-24 and will need additional space in 24-25.

# Expense Overview

Revised 22-23 Budget	21-22	22-23 Pods	23-24 Pods	24-25 Pods
Students	402	518	602	662
<b>Staff Total Compensation</b>	<b>2,814,392</b>	<b>3,637,818</b>	<b>4,921,868</b>	<b>5,623,314</b>
<i>Staff Comp Per Student</i>	<i>7,001</i>	<i>7,023</i>	<i>8,176</i>	<i>8,494</i>
<b>Non Compensation Expenses</b>	<b>1,054,073</b>	<b>683,575</b>	<b>744,069</b>	<b>796,247</b>
<i>Non- Staff Comp Per Student</i>	<i>2,622</i>	<i>1,320</i>	<i>1,236</i>	<i>1,203</i>

<i>Facilities All In per Student</i>	<i>1,106</i>	<i>1,310</i>	<i>1,327</i>	<i>1,284</i>
<b>All Expenses</b>	<b>4,524,086</b>	<b>5,405,430</b>	<b>6,634,774</b>	<b>7,441,554</b>

- Non Compensation Expenses and Facilities “per student” cost leveling out.
- Staff Wages/Benefits per student escalates in 23-24 and 24-25, somewhat driven by additional resources needed in K-6 based on the numbers (i.e. 2<sup>nd</sup> gym, art, music teacher), but primarily caused by curriculum demand of 11<sup>th</sup> and 12<sup>th</sup> grade, but not sufficient enrollment due to us starting at K-9. This is something we will have to work through shorter term to reduce cost per student.

- Per Pupil Aid is \$9,201/student. Categorical aid for SPED assumed 30% (reimbursement based on prior year expenses). 21-22 from an IDEA flow through grant. User fees remain flat at \$100/student.
- Summer school to be investigated and started modestly next summer (no revenue shown). Revenues shown at 40% of Per Pupil Aid. Need approximately 100 in 23-24 and 200 in 24-25.
- Assume private donations and fundraising efforts for operational needs remain flat. All incremental dollars allocated to building campaign.

# WUFAR to GAAP Reconcile

Revised 22-23 Budget	21-22	22-23 Pods	23-24 Pods	24-25 Pods
Students	402	518	602	662
<b>WUFAR Surplus/Deficit</b>	<b>699,112</b>	<b>439,874</b>	<b>271,367</b>	<b>22,627</b>

<b>WUFAR / GAAP Reconcile</b>	<b>-25,000</b>	<b>-58,563</b>	<b>-143,139</b>	<b>219,273</b>
<b>GAAP Surplus/Deficit</b>	<b>674,112</b>	<b>381,311</b>	<b>128,229</b>	<b>241,900</b>
	12.91%	6.52%	1.86%	3.24%
<i>GAAP Surplus/Deficit per student</i>	<i>1,677</i>	<i>736</i>	<i>213</i>	<i>365</i>
<b>GAAP Excluding Philanthropy</b>	<b>-217,887</b>	<b>-147,859</b>	<b>-272,871</b>	<b>-165,200</b>
<i>Excluding donations/fundraising per student</i>	<i>-542</i>	<i>-285</i>	<i>-453</i>	<i>-250</i>

- WUFAR more of a quasi cash basis accounting. Long term debt proceeds considered revenue and principal an expense.
- This is over inflating the surplus shown in 22-23 [7.5%] and 23-24 [3.9%] and lower than reality in 24-25 [0.3%].
- GAAP Surplus/Deficit smoothest this out. 22-23 [6.5%] and 23-24 [1.9%] and lower than reality in 24-25 [3.2%].
- The accumulated GAAP Surplus during this time period is \$1.425MM. Repayment of debt is \$867k. Equity contribution to modular system is \$157k. Meaning we will accumulate \$400,000 of cash liquidity.
- Without philanthropic giving, we would not have a GAAP Surplus

# Mobile Classroom Expenditure Update

- ▶ Plans submitted to the state last week and already received Early Start approval!
- ▶ Construction with Vesta and Hunzinger will commence immediately upon authorization from the Board. Assuming final state approval hits prior to the work finishing, we are still expecting to take occupancy ~8/31.
- ▶ We are trending about slightly below the \$427k Phase 1 [6 classrooms for 22-23] budget presented on 6/7.
- ▶ The Board had previously authorized:
  - ❑ \$81,335 on 6/7
  - ❑ \$28,992 additional 7/13 for the fire lane.
- ▶ To finish the project from this point forward, we will need a final additional amount of \$316,973.
  - ❑ Contained in this final number is \$6,293.22 that we need to pay We Energies immediately.
