## ESSER III Stakeholder Session

July 22, 2022

# Why We're Reaching Out

The American Rescue Plan (ARP) Act, the third federal COVID-19 relief law, passed in March 2021, provides one-time funds for our school through the Elementary and Secondary School Emergency Relief (ESSER) III grant program.

During this session, we will share information about the grant and our intended use of the funds.

We welcome your input and feedback in our planning process.

# Our Planning Committee

The committee drafting and finalizing our plans related to ESSER III includes the following people:

Ms. Daigneau, Principal

Mr. Wozniak, Asst. Principal

Mr. Wagner, Asst. Principal

Mrs. Kaari, Controller

# ESSER III Grant Basics

- We are expected to receive \$84,000 in ESSER III funding.
- Funds may be used to support our response to the COVID-19 pandemic through Sept. 30, 2024.
- Funds are intended to help keep our school safe and operational and address the impact of the coronavirus pandemic on our students.

# What is This Money For?

LCCA may also make use of an EBIS (intervention) Grant to implement evidence-based interventions to address learning loss, for example:

- Summer learning or summer enrichment
- Comprehensive after school programs
- Academic programming designed to improve achievement.

According to grant guidelines, we must ensure that interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

LCCA will make prudent decisions in applying for funds to ensure that requested funds are for programs and expenses that are mission-aligned and in accordance with our educational philosophy and supportive of our curriculum.

  - Mental Health Services and Supports
