Whether just beginning their school experience or looking to transfer, LCCA's tuition-free, K-12 public charter education provides a strong academic foundation and supportive environment for any student.

## Discover our mission

We begin with the end in mind through our mission, with intent for the flourishing of every student in both heart and mind. Throughout their LCCA journey, we nurture students in the pursuit of truth, the desire for good, and a love of beauty. Our teacher-led classical instruction in the liberal arts and sciences, with instruction in the principles of moral character and civic virtue, upholds a standard of excellence that has proven itself over the course of time.

## Discover our culture

LCCA provides a full K-12 experience supported by a robust school culture and community. Our elementary school fosters an environment of trust and respect. LCCA's middle and high schools firmly cement attributes such as leadership and service-

minded responsibility through our vibrant and inclusive house system.

LCCA offers athletics and a variety of after-school enrichment activities, including theater, chess, martial arts and service club. Our solid school culture supports growth opportunities for everyone.

## Discover excellence

Our graduates will model the virtues of respect and honesty through their speech and actions. They will demonstrate wisdom in daily life, and will embody courage and responsibility. Our graduates will be independent, self-disciplined and motivated. They will persevere through challenges and will strive for excellence. They will have developed curiosity and a desire to pursue learning as a lifelong endeavor. They will cherish deep friendships and will serve others joyfully. They will recognize and value freedom and contribute as responsible and constructive citizens invested in the local community.

If you desire your children to grow and flourish, now is the time to apply. LCCA's Enrollment is open Saturday, February 1, 2025, through Friday, February 28, 2025. The lottery drawing commences on March 1, 2025. Limited seats are available for each grade level.
