

September 4, 2025

Dear Parents of LCCA 9<sup>th</sup>-12<sup>th</sup> grade students,

It has been a joy to be back at West campus with your students! Once again, we are pleased to offer the opportunity for our students to participate in AP testing through partnering local private schools. Please let me know if your student plans to register for AP exams in May. A schedule of the exam dates, which are set by College Board, can be found [here](#). Below are the AP exams offered at Lake Country Lutheran High School (LCL) and Heritage Christian School. **LCL has a registration deadline of Friday, September 19**, so this is a quick turnaround. Please note that LCL cannot accommodate late testing for non-LCL students going forward. Please let me know as soon as possible if your student would like to register for one or more exams.

**LCL (\$108 per exam, registration deadline September 19, no late testing for non-LCL students)**

- AP English Language and Composition
- AP English Literature and Composition
- AP Psychology
- AP United States Government and Politics
- AP United States History
- AP World History: Modern
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Physics
- AP Statistics
- AP Biology
- AP 2D Art & Design

**Heritage Christian (\$134 per exam, registration deadline October 1)**

- AP Calculus
- AP Chemistry
- AP English Literature
- AP Precalculus
- AP Spanish Language & Culture
- AP US History

If interest in the **AP Latin exam** is high among LCCA students, LCCA is willing to proctor this exam again in May. Please also let me know if this is of interest to your student.

Students who choose to take an AP exam prepare for the test on their own, outside of class. Please be aware that LCCA cannot guarantee a specific score or college credit for any AP exam taken.

Please consider joining me for **College Information Night on September 11, 2025**. We will meet at West campus at 6:30 p.m.

Please send me an email as soon as possible with your student's AP exam selection. The family is responsible for registration for the exams once I have provided additional information and codes. We are pleased to provide this opportunity for your students. I look forward to working with your family this year.

Best regards,

Mrs. Megan Wagner
