

IMPORTANT INFORMATION FOR AP PARENTS:

- All AP exam registration is done online through <https://myap.collegeboard.org>
- MyAP accounts should be set up by the student (not the parent).
- Students who already have an account from previous years should log into their pre-existing account to register for this year's exams.
- Students who are new to College Board testing will need to set up their MyAP account before they can register.
- Students should be sure to make note of their login and password as they will need this information to access their account, receive score reports, send score reports, and register for all future exams.
- The fee is \$108.00 per exam at LCL and \$134.00 per exam at Heritage.
- **The deadline for both the MyAP registration and payment by check is September 19 (LCL) or October 1 (Heritage).**
- The College Board is continuing to charge canceled exam fees this year, so students will be charged a \$40.00 cancellation fee for any exam canceled after November 15.
- Students will also incur a \$40.00 late order fee for exams ordered after November 15.
