

LCCA SENIOR SPOTLIGHT

Class of 2026 | Madelyn Macier

Madelyn Macier

LCCA SENIOR

The connection between the staff and students is something I love about LCCA. I always felt comfortable talking to my teachers, and they were all so understanding. LCCA is an experience I wish everyone could have had in a school.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

My favorite class at LCCA was Mr. Pazurek's junior year Algebra 2 class. It was always lively, and I loved the way he taught math. I also loved Mr. Nelson's junior year literature class. There was never a boring moment, and he brought life to the books.

I would advise younger Sentinels to open up to their teachers when they need help. It is important for students to admit when they are wrong and be humble enough to ask for help.

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

My plan after graduation is to become an esthetician and become a mom. I always wanted to have a job I would enjoy, and this is definitely a job I would appreciate.

There have been so many funny moments at LCCA that I couldn't pick just one. I have loved all of the moments here, and I can't wait to make more!

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful LCCA memories are all the lectures from Mr. Muri and Mr. Mullin as a whole. They have given me insight and truth about myself and society. I have an appreciation for all of these moments at LCCA.

I am very thankful for the wisdom and the patience my teachers have given me. I have truly enjoyed my time here, and I couldn't have asked for better teachers.

SHARED WORDS OF GRATITUDE.
