

LCCA SENIOR SPOTLIGHT

Class of 2026 | Amy Osborne

Amy Osborne

LCCA SENIOR

I love the environment that every classroom provides. All of my classmates and teachers have a way of making everything just fit into place.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

I can't choose one favorite class at LCCA - every single teacher has shown me skills and attitudes that have shaped, and will continue to shape, who I am.

I would advise younger Sentinels to talk to their teachers, during and after class. No one can know you just through your writing, you have to speak with them.

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

I plan on going to college to study the humanities.

My funniest moment was when Brielle tried to show me a cool upside down trick with her backpack and ended up gracelessly descending down the stairs.

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful memory was my first biology test grade. That test grade encouraged me to give it my all, and it is probably the reason for my current [successful] academic achievement.

I think every class was absolutely amazing because our school has such wonderful teachers. I have enjoyed every class because of them. They have made me realize that even the most difficult classes are a blessing and a joy.

SHARED WORDS OF GRATITUDE.
