

LCCA SENIOR SPOTLIGHT

Class of 2026 | Evyn Benson

Evyn Benson

LCCA SENIOR

I love how close all the students are, not just to each other, but to all the teachers and staff. I will never forget the relationships I have with my classmates and the dedication put in by all the teachers and staff at LCCA.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

Throughout all my years at LCCA, there have been many classes I've truly enjoyed. However, Mr. Nelson's American Literature class will forever be in my memory because of the fun times, dedication, and understanding he shows his students.

My advice for younger Sentinels is that it's going to be long and grueling, but it's worth it in the end. You won't be in high school forever, so, although it seems cliché, enjoy it while it lasts and don't stress the little things.

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

After graduation, I plan to attend college and go off to discover who I really want to be. I hope to raise a family and live a life I'll be proud of.

It seems so hard to simply pick one funniest moment at LCCA, but I'd have to choose playing Cogsworth in our Beauty and the Beast performance my junior year alongside my friends and sister. There truly is nothing like standing on that stage playing a British clock.

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful memory from LCCA would have to be the way the teachers would always be willing to help when you got lost, by not simply telling you the answer, but really making sure you knew the content and walking through the steps again.

Thank you to all the teachers and staff for your dedication. Thanks to my parents for signing me up right before the deadline five years ago, and to my sister for being someone I can look up to. You will never know the impact you all have had on my life.

SHARED WORDS OF GRATITUDE.
