Class of 2026 | Abigail Merkel

Abigail Merkel

LCCA SENIOR

I love the community of LCCA. The teachers are all passionate and dedicated, and the friends that I have made and people in my class are some of the greatest people I have met.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

My favorite class was my junior year Moral and Political Philosophy class.

I encourage younger Sentinels to participate in class! The classes that I participated in were the classes that I enjoyed most.

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

I do not know what I want to major in yet, but I plan to attend a 4-year college and am interested in joining the military. I also hope to visit as much of the US as I can and see many National Parks!

One of the funniest moments was Brielle getting stuck inverted on the stairs. She grabbed the railing and tried to skip steps, but she just slid down backward. I can picture her feet at the top and her head at the bottom, with a crowd of people watching.

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful memory was all of Mr. Nelson's American Lit class, but especially his goodbye to our class.

I am so grateful for all of my teachers. Each one has a dedication and a passion for their subject that makes class interesting and enjoyable.

SHARED WORDS OF GRATITUDE.
