

LCCA SENIOR SPOTLIGHT

Class of 2026 | Keira Newton

Keira Newton

LCCA SENIOR

I love that our education focuses on improving in virtue and character, and that this can be seen in the school environment. Everyone is so kind and helpful, and the teachers are supportive and great at their jobs.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

My favorite class was probably American Literature with Mr. Nelson. It was so much fun to act out the characters, and we had so much freedom to write our essays on whatever topic or theme we found to be most intriguing.

My advice to younger Sentinels is to always turn in your homework, ask questions, and join as many activities as you can. Sports and clubs are a great way to make more friends and improve time management skills, not to mention they're really fun!

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

After graduation, I plan on going to college as either an engineering or a science major. I would also like to get married and have a family one day.

My funniest moment was seeing a bunch of my classmates have a staged lightsaber fight during lunch on Star Wars Day. They dressed in cloaks and masks and dramatically died after getting hit.

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful memory was reading parts of Genesis and Matthew in Ancient History to understand the worldview of the Hebrews. It was the first time I realized I could deeply analyze a reading for historical context, themes, and ideas.

I am grateful to have made so many friends who share my values of serving truth and goodness, and I am incredibly thankful that I have received an education that taught me how to truly think and live a life of virtue and happiness.

SHARED WORDS OF GRATITUDE.
