

LCCA SENIOR SPOTLIGHT

Class of 2026 | Micah Hahn

LCCA SENIOR

As cliché as this answer is, what I loved most about LCCA is my classmates. Everyone in my class is a great person, and getting to know them has been a great pleasure.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

My favorite class was my 9th-grade Music Theory class. There were just three students, including myself. Not only was it laid back, but it was also very informative.

I encourage younger Sentinels to learn to play an instrument or at least spend a few years trying one. Music has been one of my greatest enjoyments, and I sincerely believe it can fulfill the same role in the life of anyone who takes the time to understand it.

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

I am going to go to college, but I haven't decided which one yet.

I remember when my friend got 'hypochondria' and 'mitochondria' mixed up, defining the former as "the powerhouse of the cell."

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful memory was when I conquered my first set of exams in eighth grade. I realized then how much I had learned and began to truly appreciate the education I was receiving.

To all the LCCA staff, thank you so much for persevering through the first few years of this school. Your passion to give a good education to the next generation is an inspiration to me.

SHARED WORDS OF GRATITUDE.
