

LCCA SENIOR SPOTLIGHT

Class of 2026 | Brielle Alexander

LCCA SENIOR

My class peers were my favorite part of LCCA. While they were "a lot" at times, the environment was always fun and friendly.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

My favorite class was American Literature with Mr. Nelson. He has such a love for the stories, but also a love for his students. His classroom felt like a safe space for everyone, and it felt more like a group setting instead of a classroom.

My advice is, don't let people's opinions dictate what you do! Be yourself, be bold, be creative, and live to do what you want to do. Who cares what others want? It's your life so live it!

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

I don't know what my future plans are just yet. I do know I want to go to college, which might be for something in the medical field, or something regarding cosmetology.

My funniest moment was when I tried to be "cool" and failed. I was trying to skip stairs. Yeah, that didn't work well, and I started sliding down and held onto the railing. As I fell, a bunch of people turned the corner and all saw me and started laughing.

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

When I came to school with a bad attitude or was upset, people still smiled at me and asked how I was doing. They showed they cared. If I said I'm okay, then they didn't push.

I'm grateful for every single person at LCCA, from the students to the staff, including people who didn't teach me directly. I'm grateful for being challenged even when I didn't want to be.

SHARED WORDS OF GRATITUDE.
