

LCCA SENIOR SPOTLIGHT

Class of 2026 | Katja Paulus

Katja Paulus

LCCA SENIOR

I enjoyed the people in my grade. Everyone is so accepting of each other and so kind, and it feels like a family.

WHAT HAVE YOU LOVED MOST ABOUT LCCA?

WHAT WAS YOUR FAVORITE CLASS AT LCCA?

My favorite class at LCCA was Mr. Nelson's American Literature class.

Get involved in sports, clubs, and activities. It is a great way to bond with people. There are especially many opportunities that come from being on a sports team.

WHAT ADVICE DO YOU HAVE FOR YOUNGER SENTINELS?

WHAT ARE YOUR FUTURE PLANS AFTER GRADUATION?

I want to go to college to study nursing. I am still deciding which school to attend. I would like to get married and be a mother one day.

My funniest moment was when Mr. Muri asked if anyone knew the definition of hypochondria. One of my classmates responded very confidently, "It is the powerhouse of the cell!" This was during the reading of Crime and Punishment.

WHAT WAS YOUR FUNNIEST MOMENT AT LCCA?

WHAT IS YOUR MOST IMPACTFUL LCCA MEMORY?

My most impactful memory was Mr. Muri talking in class about how in modern relationships, some women have lower self-worth. But then he spoke of men slaying dragons and doing other noble acts for women to prove their worth to them. It was an encouraging discussion and has helped me grow in my own self-worth

I am grateful for the teachers. I think a lot of what they have taught in class has stuck with me all five years I have been at LCCA, and they have helped me shape my worldview. I am also extremely grateful for the students here. We came from different backgrounds and were all new to this environment. Everyone was so nice, and we easily formed bonds. The friends and students I have met here have also helped to shape my view of the world and have solidified what I believe.

SHARED WORDS OF GRATITUDE.
