

FIRST DAY Arrival @ LCCA East, grade K-5

Students should arrive **between 7:35-7:55 a.m.** All students will go directly into the building to their classroom where they will find their teacher and be given directions on what to do next.

We recognize that the FIRST DAY is a special occasion for all students, but especially for our youngest students. On the FIRST DAY, parents are welcome to park and escort their students into the building. Please approach from the west (Brown Street) on Wisconsin Ave. and RIGHT turn ONLY into the far west entrance of the public parking lot. *Be respectful of neighboring driveways and do not block!*

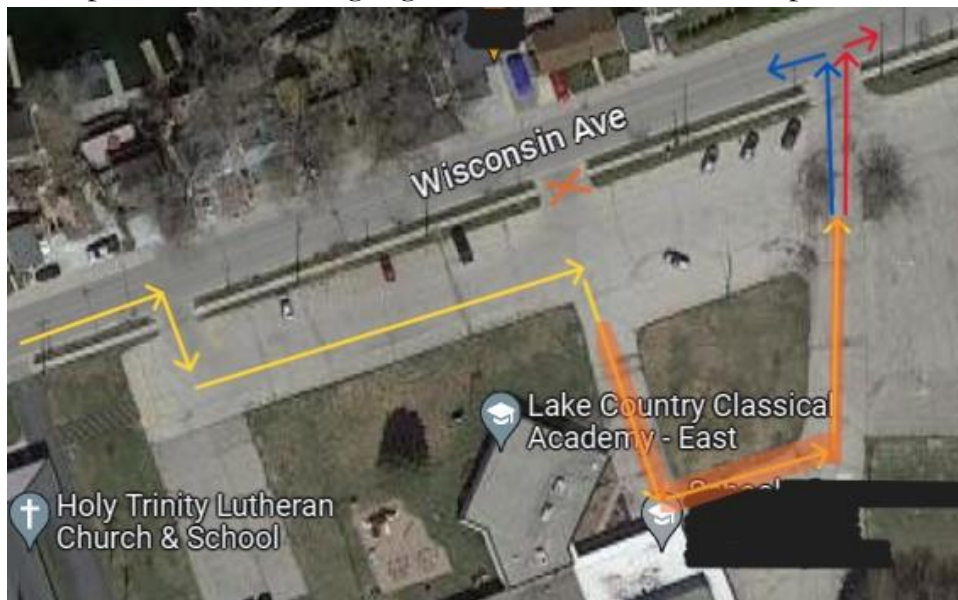

Parking is on a first come, first serve basis in the public parking lot in front of the building and public street parking. Parking will be limited, so parents that enter the building are asked not to linger long.

We will have faculty and staff around the building to help students find their classrooms, so carline will be open for parents who choose to drop off their students to enter the building independently. Please follow the carline directions below.

Carline Directions:

ALL cars approach from the west (Brown Street) on Wisconsin Ave. and follow the highlighted route toward the building entrance. RIGHT turn ONLY into the far west entrance of the public parking lot. Proceed in single file to the main building entrance and drop-off zone.

All students should be ready to quickly exit their vehicle from the passenger-side in the drop-off zone (orange). To depart, follow the highlighted route around the loop.

Safety is our greatest priority.

CARLINE will open at 7:35a.m.
